DIRECTOR'S NOTE

This is a special year and a special show, thanks to several extraordinary students.

I began at PHS in 2020 with a mission: to build a thriving performing arts culture. I auditioned and cast our intended first musical—High School Musical Jr. I can't remember every casting decision, but I do remember casting Jackson Reid as the lead. And then—well, we all know what happened in 2020.

At the start of 2021, I cast our first full production: The Brothers Grimm Spectaculathon. I held auditions early in Term 1, and we presented the production in the second last week of Term 4. At the time, PHS had only Years 7, 8, and 9.

Interestingly, no Year 9 students participated in that first show.

Today, I dedicate Grease to the students in Years 11 and 12 who were involved—either on stage or behind the scenes—in that first-ever production. I want to acknowledge their commitment, creativity, and enduring passion. These students are the founding legends of performing arts at PHS.

DIRECTOR'S NOTE

A special acknowledgement and heartfelt thanks to these Year 12 students, who have also demonstrated incredible commitment to the performing arts at PHS:

Ruby Neilson (The Alibis, Annie, Rock of Ages, Chicago, Grease)

Eve Cartwright (Annie, Rock of Ages, Chicago, Grease)

Ruben Ray (The Alibis, Annie, Rock of Ages, Grease)

Ava Flynn (Annie, Rock of Ages, Grease)

Tilly Asher (Chicago, Grease)

To these Year 11 and 12 students: thank you, from the bottom of my heart, for joining me on this journey. Thank you for sharing your talents, for trusting me to help you shine, and for bringing your best to every production. You've brought joy not only to my life, but to our entire community.

There are many other students in Grease who have participated in multiple shows, and I celebrate you all. But this year, I take a moment to honour these trailblazers. You are the heart and soul of our performing arts legacy.

Congratulations to all students—on stage and off.

I am also proud to showcase a strong and talented group of junior performers in Grease. The future of performing arts at PHS is bright, exciting, and full of promise.

Enjoy the show—and please join me in celebrating our incredible students!
